

Self-adhesive digital printing film for smooth outdoor walls and floors

ASLAN DFP 47

With its water resistant adhesive, this film is particularly suited for temporary outdoor advertising as well as in smooth indoor areas which are exposed to moisture. It has specifically been developed for smooth floors and walls like tiles or polished stone. Its biggest advantage is an enormous time saving during removal. It can be removed in one piece without residues which makes it truly unique in the market. ASLAN DFP 47 is the first floor graphics film that is fire rated according to DIN EN-13501-1 even when it is printed and laminated.
